

Pivot

Design: Sigurd Strøm & Torstein Nilsen

Flexible modular sofa series with quite many standard elements with or without back. 1-, 2- and 3-seater, inside and outside corners and arches, and much more.

The model series also includes Pivot Cave with extra high backs and sides, Pivot Step which is a combination of Pivot and Pivot Cave, as well as matching tables. Pivot Gap still exists, but is indicated as a "gap" below each item.

Only water-based and solvent free adhesives and hot melt adhesives are used.
