

# Dapple

Design: Edvin Klasson

The model is characterized by the contrast between the solid table tops and the thin, rigid chassis. Table tops in oak veneer with oak "buttons", or in solid color.

Offers matching seating furniture, various cabinets and coat stand.

## Selection

---

1728 Table H46, Ø60, oak veneer with oak dots	Ø: 60 cm	H: 46 cm

## Options

---

1732 Addition for other color on steel parts per unit

## Construction

---

Chassis with powder coated steel tubes.  
MDF table tops with veneer or melamine top layer.  
Standard selection: Oak, white and black.

## Legs

---

Steel chassis with black powder coating. Other colors available upon request.  
Hard plastic pads.

## Tabletop

---

Other solid color surfaces can be provided on request.  
For dark melamine surfaces, finger prints are more easily visible.

## Mounting

---

Table top must be mounted on the chassis.

## Recycling

---

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
