

# Nexus

Design: Mikael Pedersen

Nexus health series is a breath of fresh air in health furniture. Nexus should satisfy classic health furniture in terms of comfort and functionality, but is at the same time slim, modern and elegant.

The series includes 1-, 2- and 3-seater with low back, chairs with high back with fixed back stepless adjustment, tilt and electric lifting mechanism, as well as dining chairs and table. The gap between seat and back makes maintenance easy. Alternative seat height can be provided, as well as pillow on the armrest and removable covers for all pillows.
