- Use highest price group if more than one type of fabric.
- When providing own fabric, use Price Group A prices.
- Addition for matching pattern, price depending on fabric. Expect longer delivery time.

Mounting

- Backs must be mounted.

Recycling

- All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
