

Eon

Simple and elegant was the starting point for the modular sofa system Eon. The different elements can be put together to create great furnishing solutions. The series consists of 1-, 2- and 3-seater benches, low back and high back, as well as inside corners, with an option

Use highest price group if more than one type of fabric.

When providing own fabric, use Price Group A prices.

When delivered in leather, there will be seams in the seat and back.

Pattern customization must be notified. Longer delivery time must be expected.

Fabric used in the length direction.

Mounting

Armrest / sides must be mounted.

Legs and connections must be mounted.

Recycling

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
