

Nexus

Design: Mikael Pedersen

The Nexus seating group is a breath of fresh air in care furniture. It satisfies requirements regarding comfort and functionality, but at the same time appear slim, modern and elegant.

The series includes 1-, 2- and 3-seaters with low back. The gap between seat and back makes maintenance easy. Alternative seat heights, plus protection on armrests and removable covers.

The Nexus family also includes recliners, dining chairs and tables in the same style.

Use highest price group if more than one type of fabric.

When providing own fabric, use Price Group A prices.

Pattern customization must be notified. Longer delivery time must be expected.

Mounting

Fully assembled, but for models with low back, the back must be inserted into the seat frame.

Recycling

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
