

# Njoy

Njoy combines timeless elegance with modern functionality - a sofa concept tailored to public environments and social zones. With its clean, Nordic design language and precisely balanced proportions, Njoy appears both inviting and stylish. The series is modular and provides great freedom to create tailor -made solutions - from intimate meeting places to open lounge areas. Each module is designed with a focus on both comfort and aesthetics, and gives a comprehensive expression that lasts over time. A couch you enjoy - and returns to.

## Recycling

---

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
