

Santana

A classic and comfortable modular sofa. The series consists of chair, 2 and 3-seater, corner and arc. The sections can be customized and flameproofed. Comes with narrow or wide armrests, or with end plates for termination without arms. Default is fixed seats, but with the possibility for loose seat cushions, removable covers and incontinence sheet.

When delivered in leather, there will be seams in the seat and back.
Pattern customization must be notified. Longer delivery time must be expected.

Mounting

Annrest / sides must be mounted.
Legs and connections must be mounted.

Recycling

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
