STORAGE

Soft is a series of storage furniture based on the same trunk with rounded and soft details. The furniture rests on a simple frame of logs, and in this way they are lifted solid stems from the substrate. It gives the Soft series an airy and steady look. The furniture gets a solid and refined feel that makes it adaptable in a number of different environments. Soft consist of buffet, sideboards, drawer and night stands.

Construction

Cabinets in MDF with HPL surface.

Legs

Chassis in solid wood.
Hard plastic pads.

Mounting

Fully assembled.

Recycling

All steel parts are recyclable. During surface treatment, degreasing with alkaline washing takes place. After separation, the oil goes for destruction. Varnishing is done electrostatically with epoxy powder that gives minimal pollution. The plastic parts used are recyclable. All padding and frames are made of foam completely without freons. Only water-based and solvent free adhesives and hot melt adhesives are used.
